Progress

The Yeovil Western Corridor Scheme is a multi-million pound package of improvements promoted by Somerset County Council to increase the capacity of several junctions and upgrade links for pedestrians and cyclists. It will also support the delivery of more than 1,500 homes and 20 hectares of employment land nearby.

The majority of work so far has taken place away from the carriageway to minimise traffic disruption on the main routes into Yeovil and the adjacent pedestrian and cycle routes during the run-up to Christmas.

Works continue on the cycleway off Stourton Way and some of the existing traffic islands have been removed on the Bluebell Road Roundabout. Works will cease between 22nd December 2017 and 2nd January 2018.

Upcoming Works

In January, work will continue on Bluebell Road Roundabout which will have some impact on pedestrian routes through the junction. There will also be temporary lights on Watercombe Lane from 3rd – 5th January 2018 to install services to our site compound.

Throughout the construction period, the aim is to minimise traffic disruption as far as possible. This means Griffiths will widen the road first and form temporary lanes to direct traffic through the site – temporary traffic lights will only be used when there is no other option.

On Tuesday 12th December Richard Needs of Somerset County Council, opened our Public Information Centre (PIC). The PIC is located at the entrance to Palmers Garden Centre, off Bunford Road and will be open every Tuesday between 1.30pm to 5.30pm except Boxing day.

Our commitment to Public Engagement for the Yeovil project has been enhanced with the appointment of a local Public Liaison Officer, Rosemarie Harrod. Rosemarie will provide the public a single point of contact throughout the works. She will be available to meet members of the public at our PIC where scheme drawings, construction programme and up-to-date project information will also be available.

With the kind assistance of Yeovil Library staff, an information point has also been established in the library in King George Street.

All of us at Griffiths wish you a very happy festive season

Sally Says - Remember

- **KEEP OUT** of any construction sites
- **DO NOT EVER** go inside the fenced area
- **STAY SAFE**
