

Yeovil Without Parish Council

Social Media and Electronic Communication Policy.

1. Introduction

- 1.1. The use of digital and social media and electronic communication enables the Parish Council to interact in a way that improves the communications both within the Council and between the Council and the people, businesses and agencies it works with and serves.
- 1.2. The Council has a website, Facebook page and uses email to communicate. The Council will always try to use the most effective channel for its communications. Over time the Council may add to the channels of communication that it uses as it seeks to improve and expand the services it delivers. When these changes occur this Policy will be updated to reflect the new arrangements.
- 1.3. The Council Facebook page intends to provide information and updates regarding activities and opportunities within our Parish and promote our community positively.
- 1.4. This policy outlines the standards the Council requires Councillors and Officers to observe when using social media, the circumstances in which the Council will monitor the use of social media and the action to be taken in respect of breaches of this policy.
- 1.5. This policy supplements and should be read in conjunction with all other policies and procedures adopted by the Council, such as the Equal Opportunities Policy, Data Protection Policy, Disciplinary Procedure, Members' Code of Conduct and such like.
- 1.6. This policy does not form part of any contract of employment and it may be amended at any time.
- 1.7. This policy covers all individuals posting on the Council page as well as all individuals working at all levels with the Council, including all elected and co-opted Councillors, the Parish Clerk and all other employees and volunteers (collectively referred to as Officers in this policy).

2. Scope of Policy

- 2.1. All Councillors and Officers are always expected to comply with this policy to protect the reputation, privacy, confidentiality, and interests of the Council, its services, employees, partners and community.
- 2.2. Serious breaches of this policy by employees may be dealt with under the Employee Disciplinary Procedure. The Council may take disciplinary action in respect of unlawful, libellous, harassing, defamatory, abusive, threatening, harmful, obscene, profane, sexually oriented or racially offensive comments by an employee.
- 2.3. Breach of the policy by volunteers will result in the Council no longer using their services and, if necessary, appropriate action will be taken.
- 2.4. Behaviour required by the Members' Code of Conduct shall apply to online activity in the same way it does to other written or verbal communication. Councillors will bear in mind that inappropriate conduct can still attract adverse publicity, even where the code does not apply.
- 2.5. Remarks are easily withdrawn, apologised for and forgotten when made in person, but posting them on the internet means that they have been published in a way that cannot be contained. Online content should be objective, balanced, informative and accurate.
- 2.6. Councillors must be aware that their profile as a Councillor means the more likely it is they will be acting in an official capacity when blogging or networking. It must be remembered that communications on the internet are permanent and public. When communicating in a 'private' group it should be ensured that the Council would be content with the statement should it be made public.

However, we will endeavour to ensure that any emerging themes or helpful suggestions are passed to the relevant people or authorities. Please do not include personal/private information in your social media posts to us.
- 3.4. This will be at the Council's discretion based on the message received, given our limited resources available.
- 3.7. The Council will appoint a nominated person(s) as moderator(s). They will be responsible for posting and monitoring of the content on Council pages, ensuring it complies with the Social Media Policy. The moderator(s) will

have authority to immediately, without notice or comment, remove any posts from the Council's social media pages if they are deemed to be inflammatory or of a defamatory or libellous nature.

- 3.8. If the post alleges a breach of a Council's policy or the law the person who posted it will be asked to submit a formal complaint to the Council or report the matter to the Police as soon as possible to allow due process.
- 3.9. If a matter raised in any form of social media needs further consideration by the Council it should be referred to the Clerk to present to Full Council. Again the 'poster' shall be informed via the page or direct message that this is the case and invited to contact the Parish Clerk direct. Any response agreed by the Council will be recorded in the minutes of the meeting.
